United States District Judge  
Eastern District of New York

Re: United States v. Rasheedul Mowla  
Docket No. 18-CR-487 (AMD)

Dear Judge Donnelly:

The government writes to notify the Court that it understands from the U.S. Marshals Service that the defendant is not available to be produced for the April 9, 2025 competency hearing, and accordingly requests that the Court adjourn the hearing. The government will propose a new hearing date once the defendant is available.

In addition, the government respectfully submits that time under the Speedy Trial Act is currently excluded given the pending competency proceeding. *See* 18 U.S.C. § 3161(h)(1)(A); *see also* 18 U.S.C. § 3161(h)(4). Nevertheless, in an abundance of caution, the government respectfully requests that the Court exclude time for 30 days in the interests of justice,

including to afford the parties additional time to engage in resolution discussions and given the complexity of the case. *See* 18 U.S.C. § 3161(h)(7).

Respectfully submitted,

JOHN J. DURHAM  
United States Attorney  
Eastern District of New York
